## WE ARE PROUD TO BE PART OF THE VETASSIST® PROGRAM PROVIDER NETWORK!

If you are a wartime veteran, or the surviving spouse of a wartime veteran, you may be eligible for a pension called "Aid & Attendance" from the Veterans Benefits Administration (VBA). This benefit can offset the cost for home care and other services to live more safely at home.

We partner with Veterans Home Care® and are a VetAssist® Program network provider. We can help you apply for the VA pension and begin home care before the VA processes your claim.

### PEACE FOR YOU IN-HOME CARE

is fully licensed by the state of Georgia Department of Human Resources. We are surveyed on a regular basis to assure our compliance with the state mandated guidelines. Our survey record is impeccable, and we pride ourselves as one of the most trusted and premier Personal Care Providers in Georgia.

We are happy to provide references upon request from previous clients and families.
